Student Life

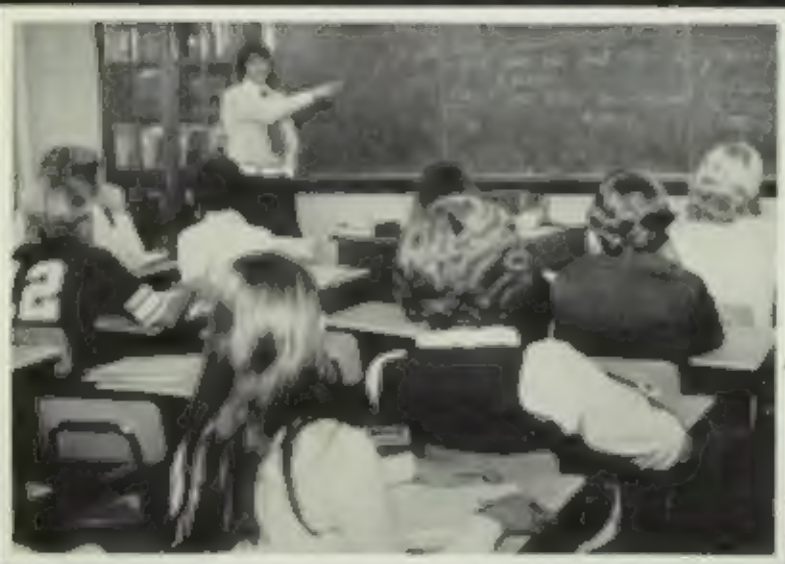

"Reflections"

Reflections '75 now holds the memories of years at A.C.S. These pictures represent the exuberance and joys of student life at Alexander Central.

By its presence, Reflections will remind us of the fullness and joy which we experienced. Along with this, we discovered the right to dream and live our dreams.

Years from now when we again take up Reflections '75, we will look at these pictures and find pleasure in remembering student life in - reflection.

These pictured memories
Relive a fleeting moment
In Time
Which might have gone
Unnoticed.

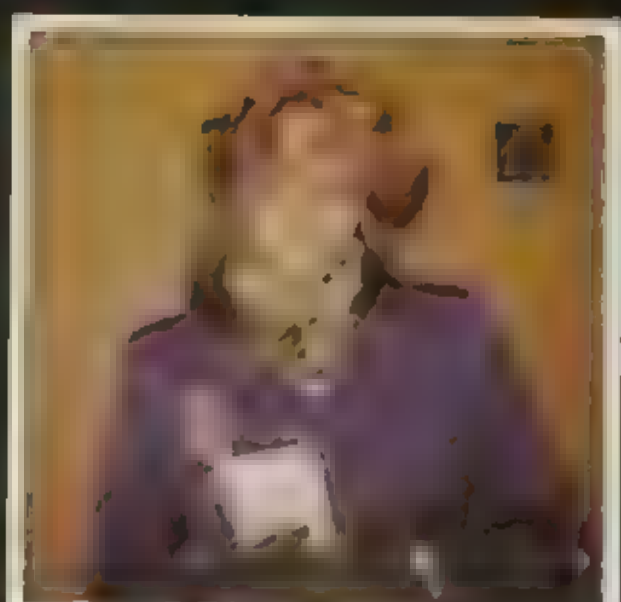

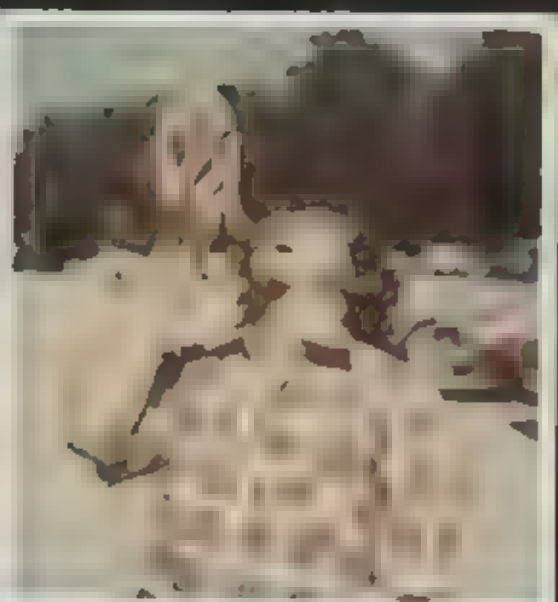

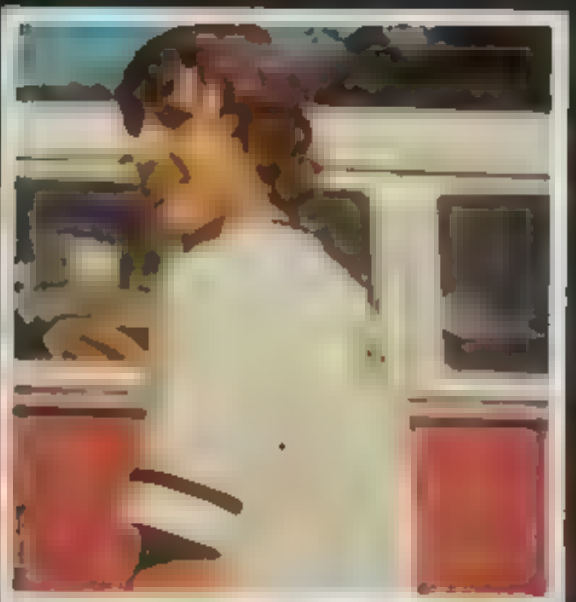

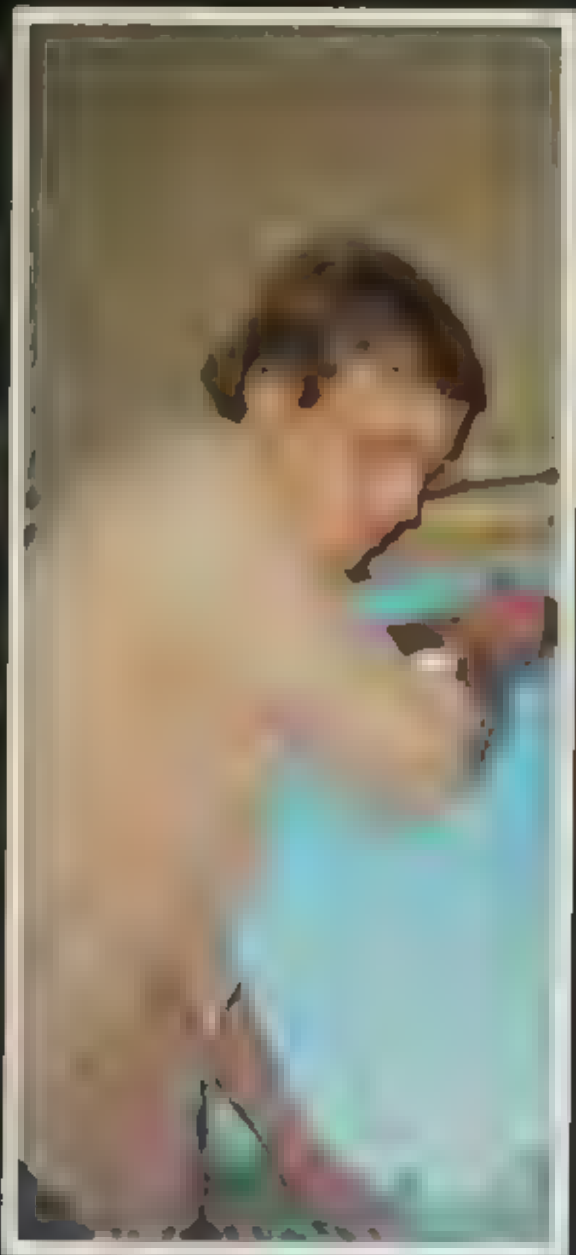

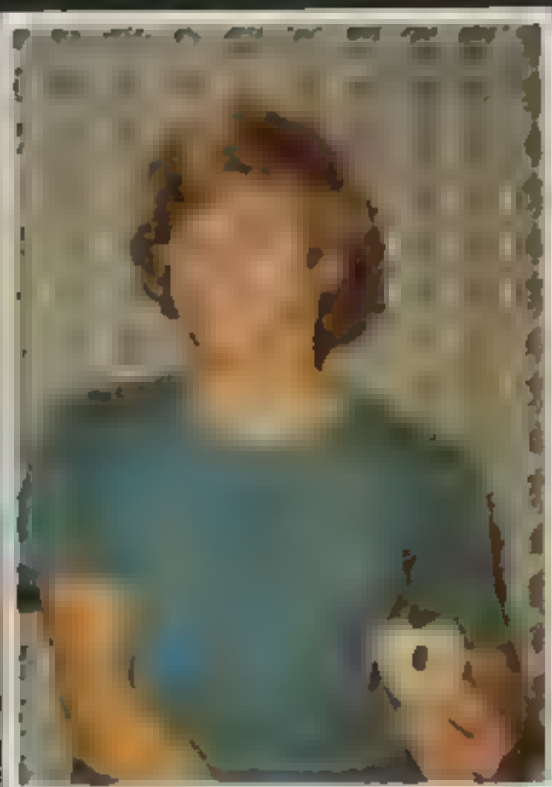

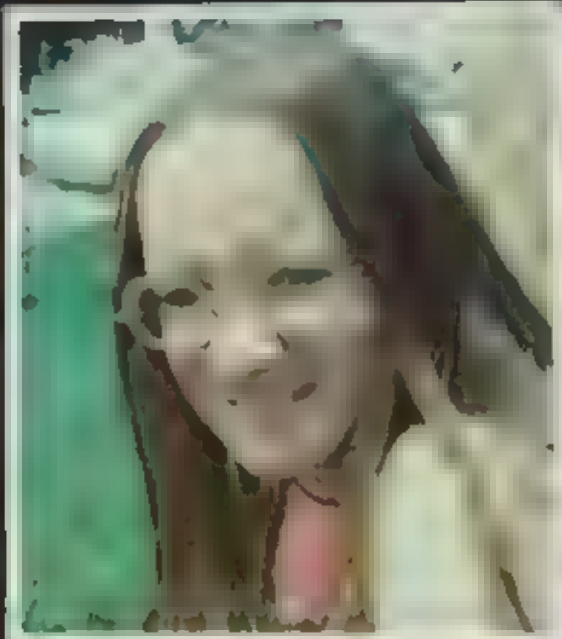

**We then reached and searched
For that intangible moment
When our identities
Materialized.**

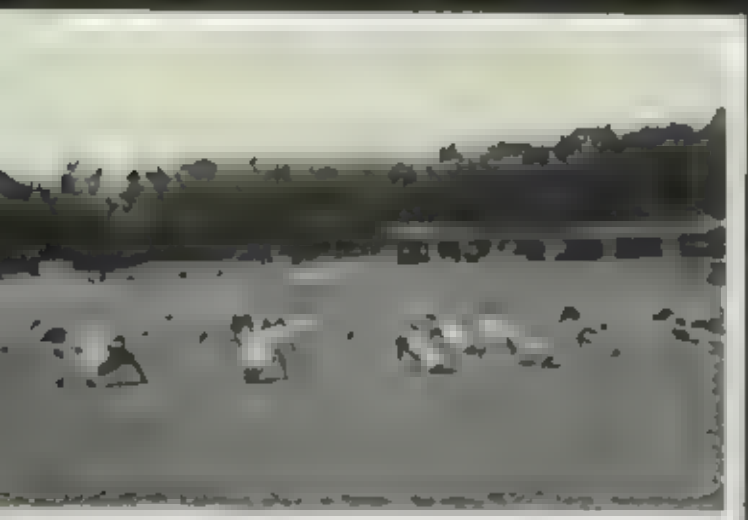

And found
The crazy laughter
And the happy minutes
When only
"Now" Was important.

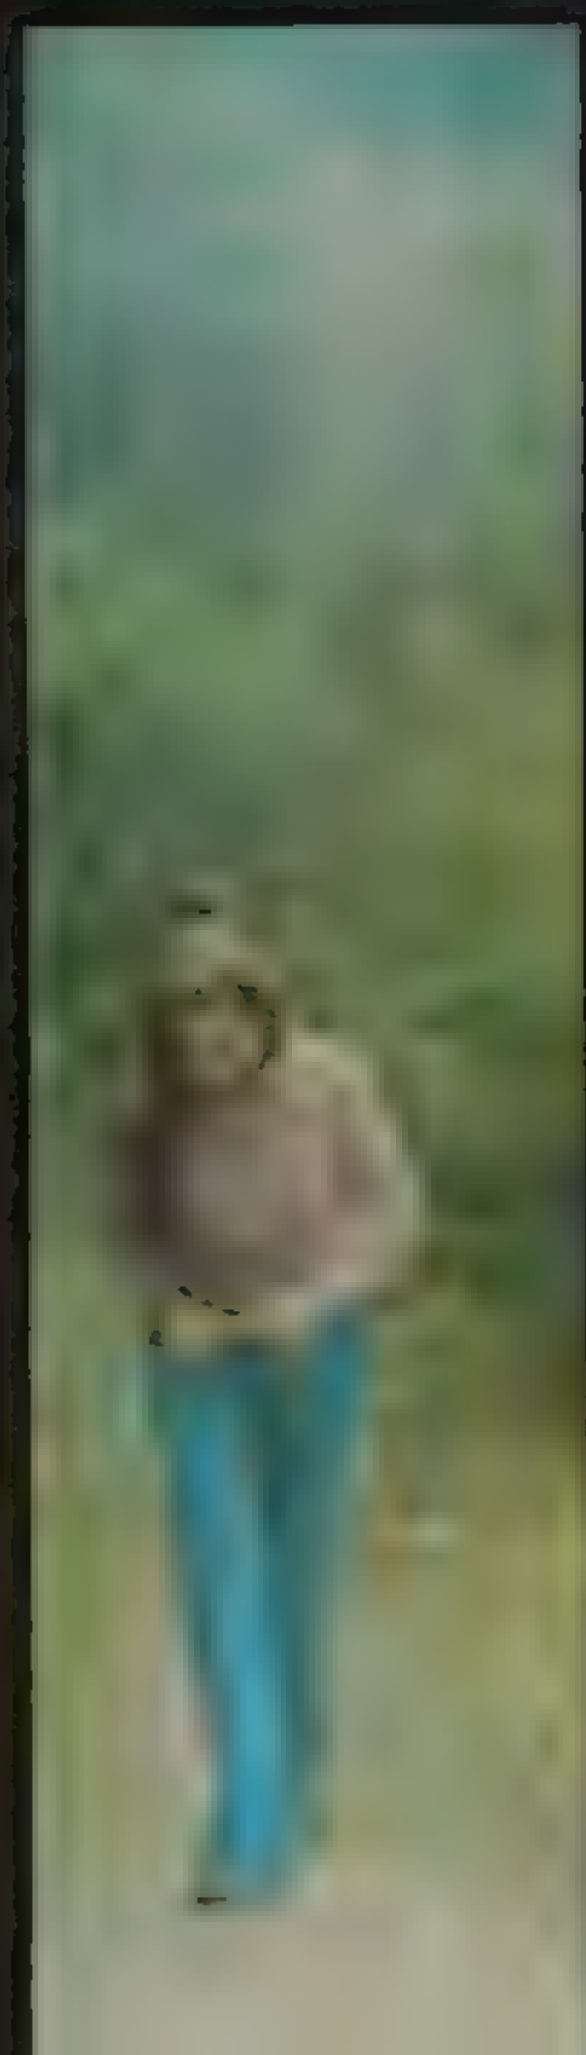

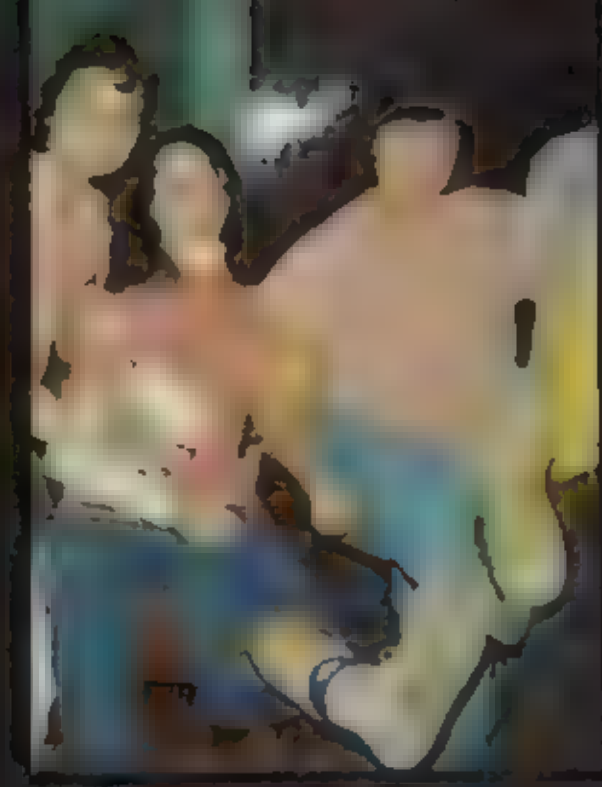

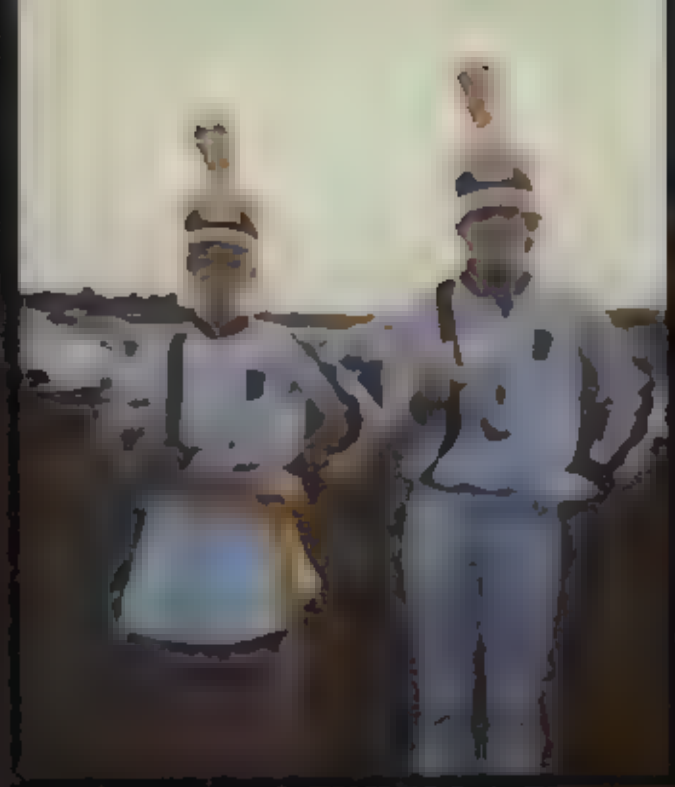

So now
The Class of '75
Realizing a togetherness
That must be left forever
Untouched
Make ready to say
Good-bye to A.C.S.

SAMUEL J. PIRRO

"I am glad to see a program both in the elementary and high school which is broadly conceived to allow for individual personal expression. I feel a teacher should never plan so closely or visualize the end results so completely that the child will be denied his right to deviate from the expected in his work."

CHARLES YUECKSTOCK

"I feel, any subject matter worthy of inclusion in the elementary school program must afford the child the opportunity for personal and intellectual growth. We then can be interested in provoking creative and critical thought, and be broadly tolerant and appreciative of individual expression."

RICHARD PARKMAN

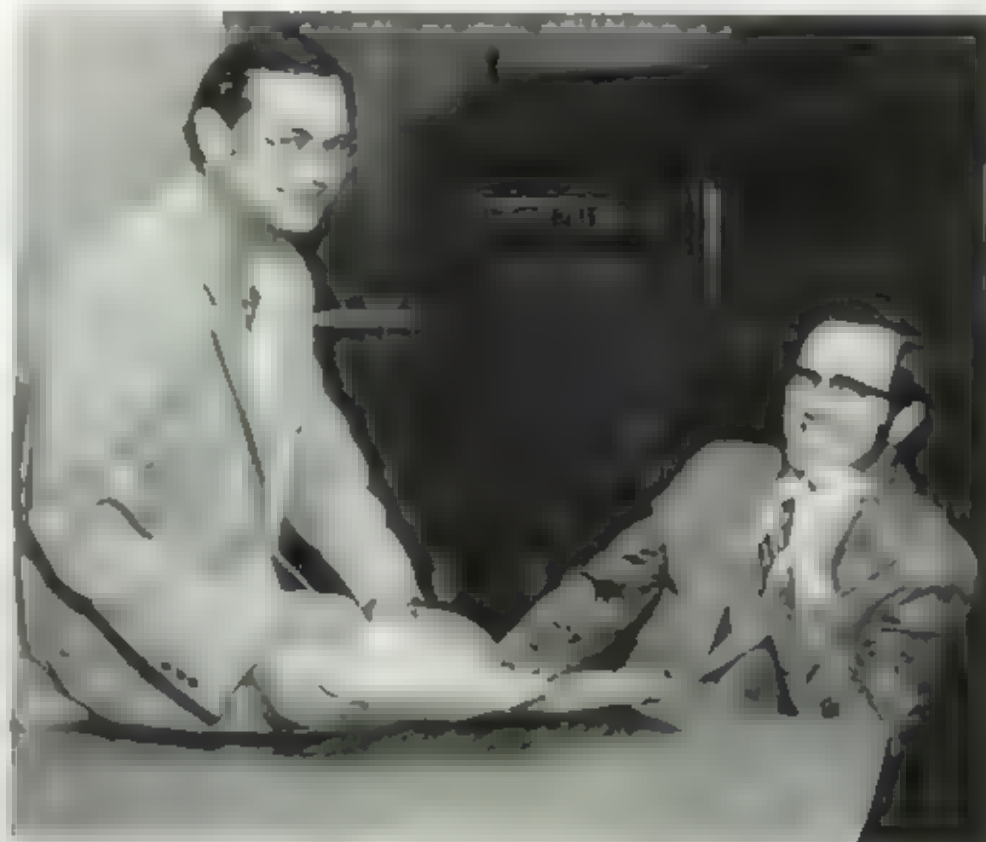

"I feel learning is the name of the game. I've asked myself 'What's it all about . . . Is it just for the moment we live . . . ?' Learning . . . It's for more than just the moment. Completing a science experiment, doing research in the library, learning how to use a computer . . . it's all for the future. We learn today what we will use tomorrow."

It's great to be great but its greater to be human.

Coordinators

GAYLORD RIBBY: "I would like to see students come to school to learn about a truth we can meet and witness, such as life. And in searching for it, find a common bond which ties us together with more strength. As coordinator my job is to give help to those who reach out for that truth with gentle persuasion and guidance, but most of all, I will help each student by caring enough to give him my time."

GERALD SHEELAR: "I feel that involvement is the key to all learning situations. So when one gets involved in the educational process, education then becomes a most enjoyable and most beneficial experience."

"Come, let us all be friends for once, let us make life easy on us. Let us be lovers and loved ones. The earth shall be left to no one." quoted by Yunus Emre, a Turkish mystic poet, seven centuries ago.

These words greeted me upon my arrival in Turkey and, I can really say, stayed with me throughout my visit. I spent too short a summer with the Ozkan family in Emirgan, a quiet part of Istanbul, Turkey. Seven people shared our fourth floor apartment - my father and mother (Baba and Anne in Turkish), my older sister, Muhterem; my "twin" sister Muyesser; my "big" brother, Ibrahim; and my brother and major interpreter Ali.

What's Turkey like . . . It's like sunny with the Bosphorous strait for a back yard, it's like merry street vendors, merry passengers on ferry boats. It's like red, blue buses and little carts pulled by good old horses that carry you on lovely islands that lie in the cool waters of the sea of Marmara. It's like cobble stoned, narrow, silent streets in Emirgan and ancient mosques that smell history: Ayasofia, Sultanahmet, others. It's like days so hot you can barely move in Istanbul, but snow covered mountains in Bursa - that's summer there.

Melons, Oranges, Little black haired children playing in the streets.

It's like that,
Just like that,
over there in Turkiyel

Many warm thanks go out to everyone that helped me work towards making a dream come true!

Sevgilermile,
Roxanne Corona

Americans Abroad

It had to have been the most exciting experience ever. I had the fabulous opportunity this past summer to live on the mystical island of Sri Lanka (Ceylon) twenty miles off the southern tip of India.

A.F.S. gave me the once in a lifetime chance to adopt a second family 9,000 miles away. I lived with the Sinhalese "Pearls" family and their four children in the village of Gampaha. They are such an open and close knit people and I could not help but become very close to them, especially my Amma (mother).

Life in Sri Lanka is very different from that of an American, so it turned out to be a very unique experience. We had no car, radio, or telephone, limited electricity, and lacked many other so called necessities of a typical American. Also, my family was half Buddhist and half Catholic. I am very glad that I was able to come in contact with some totally different religions, including Hindu and Moslem.

I am so thankful that I could get to know people where the ancient traditions and customs still exist as the biggest factor in their life style. I'll never be able to thank A.F.S. enough for the opportunity to become an American Abroad and I strongly urge the continuance of such a unique organization.

Sue Morse

My name is Maria Inez Alves de Melo. I'm from Brazil. I come from the city of Catagreases, state of Minas Gerais.

My Father works for an Electric and Power Company in my city; my mother is a housewife and I have four brothers.

Brazil is the largest country in South America and also has the largest population which is more than 1,000,000.

It is a country that is really growing fast in all fields. There are about 20 elementary and high schools combined. There is one college and in a few years we're going to have a medical institution.

The school I attended in Brazil was the Colegio Estadual de Catagreases which is public and co-educational. There are about 3,000 students attending this Junior and Senior High School. Classes were attended in the morning, so afternoon classes are a new experience for me.

The diploma I hope to get here in the U.S.A. is valid in Brazil; so next year I'll try to attend Medical College and specialize in Psychiatry. First, however, I have to pass the college exams and they are very difficult.

This year in the United States has been a wonderful and unforgettable experience for me. Being an A.F.S. student gave me the rare opportunity to become acquainted with a different country, new customs and habits. I was especially grateful, because I came to know such a nice and friendly people.

I really would like to thank everybody so much for all the things they have been doing for me during my stay here. I really appreciate that! And all of you can be sure that you will always be remembered by me all of my life. I will take back to my country the best impression of the American people.

Love,
Inez

American Field Service

My name is Jan Henning Hestad. I am a Norwegian spending a year as an A.F.S. student with Jerry and Dawn Townsend. Jerry and Dawn are a unique A.F.S. Host family. Usually the A.F.S. student lives with middle-aged couples who have children the same age as the A.F.S. student, but Dawn and Jerry are only twenty seven years old and this makes for a very special relationship.

In my family in Norway I have two brothers and a sister, all of them younger than myself. My family in Norway is an average Norwegian family. My father is a gardener, and my mother is a housewife.

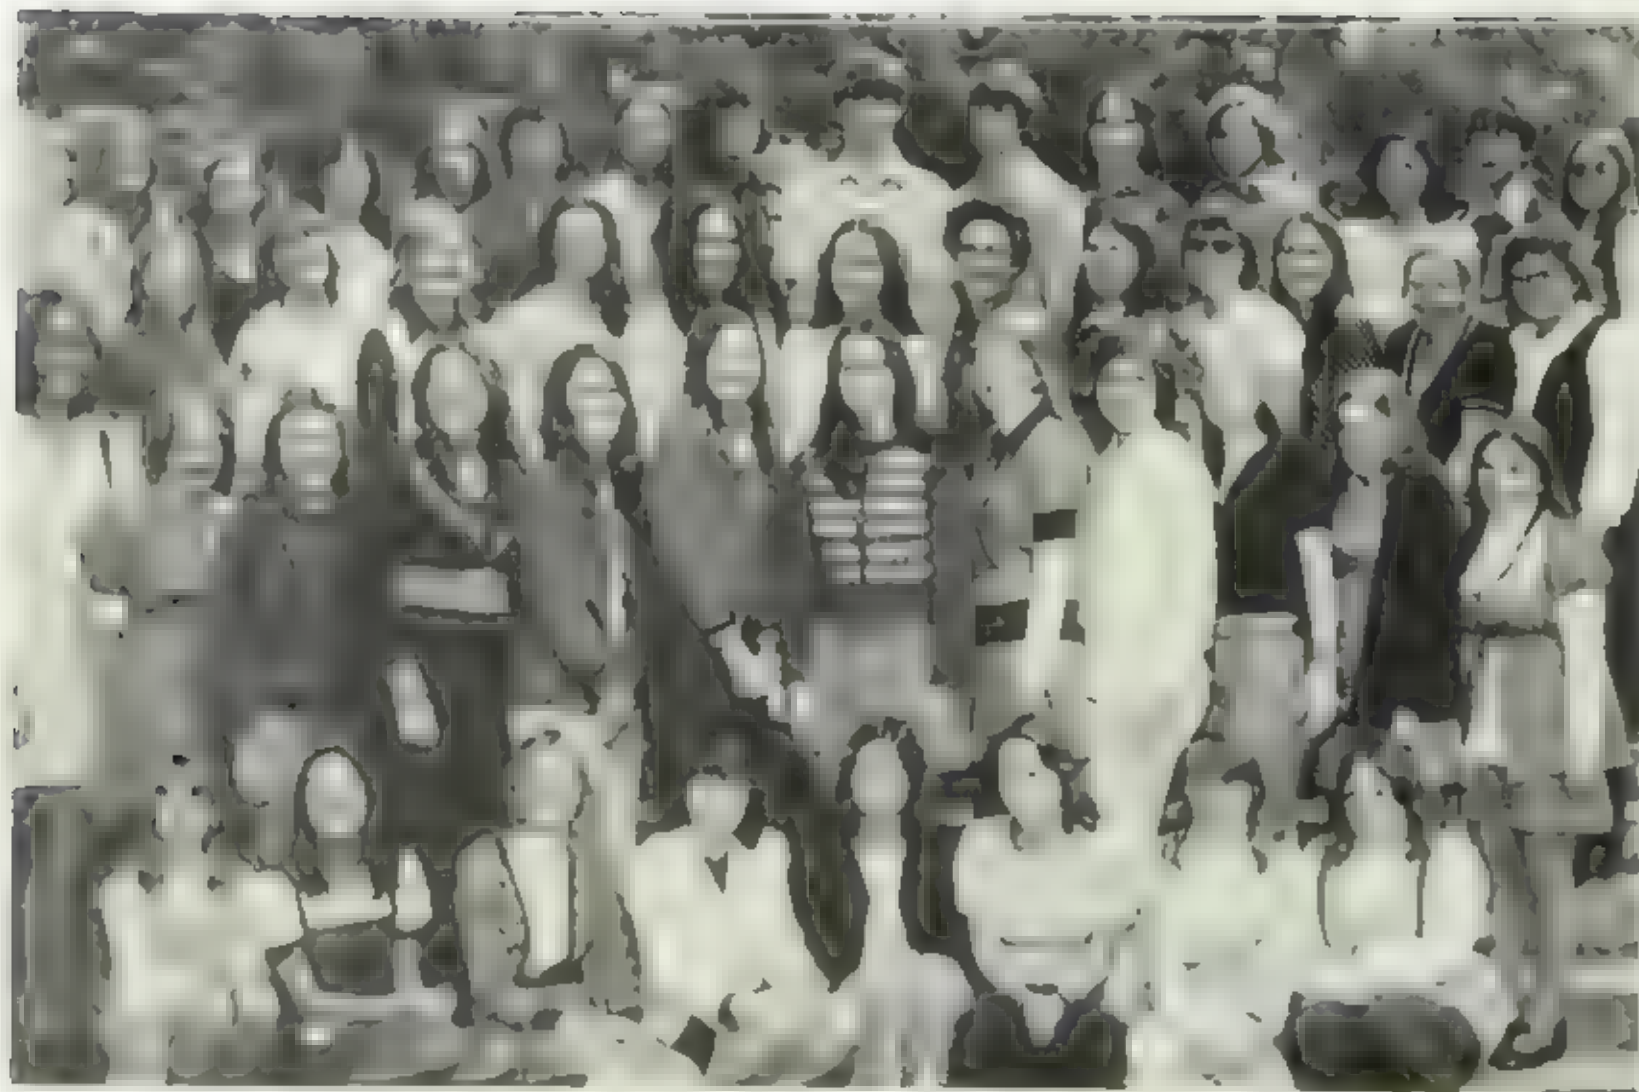

Norway is a fairly large country, but it has a population of only four million. Norway isn't as different from the U.S.A. as an American might expect. There are many differences, but compared to many other countries we are quite alike. I am especially thinking of the living standards. Norway is a highly industrialized country, and she is rated as no. five in the world concerning living standards, before countries like France, Great Britain, Denmark, and Western Germany.

I am a senior here in Alexander. I won't get any credit for the year, but an experience like this comes but once in a lifetime and I am glad to have this opportunity. This means that I'll have to take another senior year when I get back to Norway.

I am very happy to be here in Alexander. So far, I have met a lot of people. There have been many new names to keep track of. The one thing that shines through wherever I go and whatever the occasion may be, is the friendliness of the people. The way the people treat me, make me feel like one of you. At first when I came here, I was quite excited to find out how I would get along with the Americans. I feel I am being fully accepted and I will thank everyone that I know for the warmth. You have all helped me make the year in Alexander a happy one and a memorable one.

A yearbook begins as a dream, a series of ideas to be put between two covers. "Reflections '75" could never have come true without the hard work and many hours given by our yearbook club.

Many of the people that gave to "Reflections" this year aren't in the picture below. Their efforts, however, can be seen by flipping to any page in this yearbook. To the entire yearbook club - in and out of the picture - all of A.C.S. owes you their thanks . . .

Varsity Football

The Alexander Varsity Football Team finished the season with a record of 1-7. The Trojans were the lightest and smallest team in the league this year and because of this they were forced to play using at least 100% of their energy every second. In every game they fought to the final whistle, even though defeat was already apparent. The team should be proud of the attitude and sportsmanship they displayed. It proved to be a learning year. With many Juniors returning, we hope to make Alexander's Football Team a winner next year.

1st Honor Field Hockey

The Girls' First Honor Field Hockey team had a very successful season. Successful considering their record of 6 wins, 3 ties and 2 losses. They once again fought their way to sectionals but lost in the hard battle at the semi-finals. The G.F.H.T. will always remember the fun and determination that went into their season.

ROW I J. Hutchison, C. Yuckstock, Coach Lee, Greg Spatola. ROW II C. Cirillo, G. Hutchison, M. Cavanaugh, J. Benton, B. Woodhouse, D. Lee.

Softball

The girl's softball season consisted of a sports day held at Pavilion. We finished second in the tri-county league behind Akron.

Varsity Swimming

The Swimming Team has come into its own this year. It can be considered one of the most successful teams at A.C.S. in 1974-1975. We have many outstanding individuals. Some of these are Dennis Crowley, Jeff Rich, Ken Putney, and Allen McClellan, all of whom had an exceptionally fine season and should do well in the sectionals.

The team is shooting for a second or third place finish in Sectionals this year. These athletes have worked hard this year and despite losing several seniors, may even stronger next year.

ROW I J. Hutchison, D. Crowley, J. Rich, W. Burgess, B. Kirch (Mgr.). ROW II M. Cavanaugh, T. Pestlin, K. Geer, T. Perry, M. McClellan, M. Schoepflin, Coach Fix. ROW III: J. Liska, D. Clark, W. Plock, K. Putney, J. Gammack, A. McClellan, M. Merle, B. Henry, Coach Saunders, ABSENT R. Bow, D. Graham, Coach Ricci.

J. V. Swimming

The J.V. Swim team, competing in a very strong league, have only lost to one team in two years. Eighth graders Bill Kirch, Mark Klossner, Dave Cyrankowski, Tom Simmons, Wayne Rich and Eric Burdette were consistant winners for the Junior Trojans and should make a valuable contribution to the Varsity team next year.

ROW I: SEATED: G. Humel, S. Bull, K. Geer. ROW II: C. Rapp, V. Foster, M. Merle, M. Hart, E. Burdette, M. Klossner, M. Bell, P. Schedel, W. Rich. ROW III: Mr. Ricci, T. Simmons, R. Burdette (Mgr.), B. Kirch S. Bontrager, E. Walker. ABSENT: D. Cyrankowski.

Varsity Swimming

The girls' swim team finished their season with a 6-2 record. Last year was the first year for girls' sectionals in swimming. There were six girls that qualified for sectionals. They were Pat Creegan, Barb Nubarth, Bonny Smith, Deb Geer, Beth Thureau, and Julie Kendall.

Last year the team lost only two Seniors, so this year they are looking for a good season.

ROW I: B. Brade, T. Franz, V. Norris, P. Blake. ROW II: K. Alwardt, J. Brown, D. Henry. ROW III L. Burdett, B. Siringham, S. Kobel, A. Bruggman, J. DeFedericis, K. Dyrbala, C. Stocksclaeder, Miss Szczerbacki. ABSENT: K. Kobel.

J. V. Swimming

Being on the girls' swim team is not only fun; it is rewarding because you know you're doing your best. Through the struggles of practise and defeat many things are learned but the most rewarding thing is to come out on top with a 7-1 record.

Varsity Basketball

Presently the varsity basketball team has a record of 6 wins and 7 losses. Early season sickness and injuries bothered the team but lately they have won 4 out of the last 6 games. We hope this success will continue as the Trojans prepare for this Sectional tournament.

ROW I C. Duncan, Mgr. J. Ford, R. Schneider, ROW II J. Quinn, Mgr., B. Dean, J. Dean, R. Putney, D. Sisson, T. Wolfley, Mgr. ROW III J. Hess, R. Norton, B. Buckenmeyer, L. Quinn, Mr. Uhly, S. Bartz (Capt.), F. Aquina, E. Keene.

J. V. Basketball

J. V. Basketball is learning as they go along. With only three returning from last years team, experience is what they need. Some key freshmen will see action regularly this year.

ROW I: G. Bariz, M. Butler, Coach Wolcott, R. Pestlin. ROW II: L. Johnson, B. Young, T. Westermeier, D. Lee, R. Perry, B. Wolfley, T. Kriner, C. Norris, D. Hall.

J. V. Wrestling

The J.V.'s with seven wrestlers have won only two matches so far, but we expect great things from them in the future. First year wrestler, Craig Anauo, has been a great surprise with an 8-2 record and 5-0 in league. Steve Sikes, George Calmes, Darrell Kelsey, Kurt Werner, Mark Covert, and Jerry Bonczyk round out the hard working J.V.'s.

ROW 1 T. Graham (Mgr.), C. Anauo (Capt.), T. Eddy, G. Calmes, S. Sikes, K. Covert (Mgr.). ROW II M. Covert, J. Bonczyk, P. Santoro (Coach), K. Werner, D. Kelsey.

Varsity Wrestling

The Varsity Wrestling team as of 2-3-75, has compiled an 8-5 record. It has been a very good year so far, in that every match we have to forfeit 12 points. Greg Schmieder is leading in victories with 12 and is yet to be beaten in league since the 1972-73 season. Joe Schmieder leads in pins, 8. Joe and Ric Sikes and Rusty McFall have only lost one league match. Todd Eddy, John Eddy, Dan Pelton, Ken Fridmann, and Pete Brade have also been vital in our team success this year. Ron Sikes, John Eddy, Greg Schmieder, Ken Fridmann, and Dan Pelton are all Seniors.

Varsity Baseball

The Varsity Baseball Team finished with a 4-6 record to finish in fourth place. The highlight of the year was a win over Holley which was their only loss of the year. Don Clark led the team in batting average and home runs. He hit 389. Captain Dan Bartz and Rick Putney also hit over 300. The pitching corp was led by Ed Keene and Tracy Stokes. The Team played well all year and worked hard as a team. Seniors playing their last year were Don Clark, Dan Bartz, and Jim Heale. Clark was voted M.V.P. and Heale M.I.P. player.

ROW I B. Conklin, D. Bartz (Capt.), Mr. Santoro, Coach, I. Kriner (Mgr.), R. Putney. ROW II J. Ford, J. Heale, J. Lizka, E. Keene. ROW III A. Lee, S. Bartz, D. Clark, T. Stokes, J. Gammack.

J. V. Baseball

The 1974 season was marked by inexperience, inclement weather, hard work, and remarkable improvement. Excellent defensive play was the evident strength in leading the team to an excellent record in the second half of the season; final record was 4-7. The final game of the season was a superbly played 2-0 shutout of traditionally strong Oakfield.

ROW I: T. Graham, Mgr.; J. Schmieder, R. Sikes, J. André, Mgr. ROW II: K. Creggan, Mr. Donohue, R. Sikes, M. Hoover. ROW III: K. Toal, D. Clark, D. Meier, M. Werner, T. Graber.

Varsity Tennis

Varsity tennis played through a rebuilding season in 1974. There were no returning letter winners to form a base for a winning season - yet morale was high all season as individual points became victories for the team.

ROW I: C. Anauo, J. Grinnell, Coach: T. Pope. ROW II: D. Harrington, D. Smith, B. Dean, B. Westermeier, W. Plock.

J. V. Tennis

The Junior Varsity tennis team experienced a very successful year with an overall record of 5 wins and 3 losses. Most of the team members were first year players and did exceptionally well. We had a great season and are looking forward to the upcoming year.

ROW I: S. Anauo, T. Rich, C. Toal, R. Scherer, C. Bower, M. Anna. ROW II: Miss Topolski, Coach: A. Bartz, S. Tiede, R. Hulshoff, T. Perry, L. Emery.

INSURANCE BY GEORGE

SHARON LESLIE MARIE FRANZ 1952 — 1973

She reached out and touched life - Innocent, trusting, full of dreams. Why not?

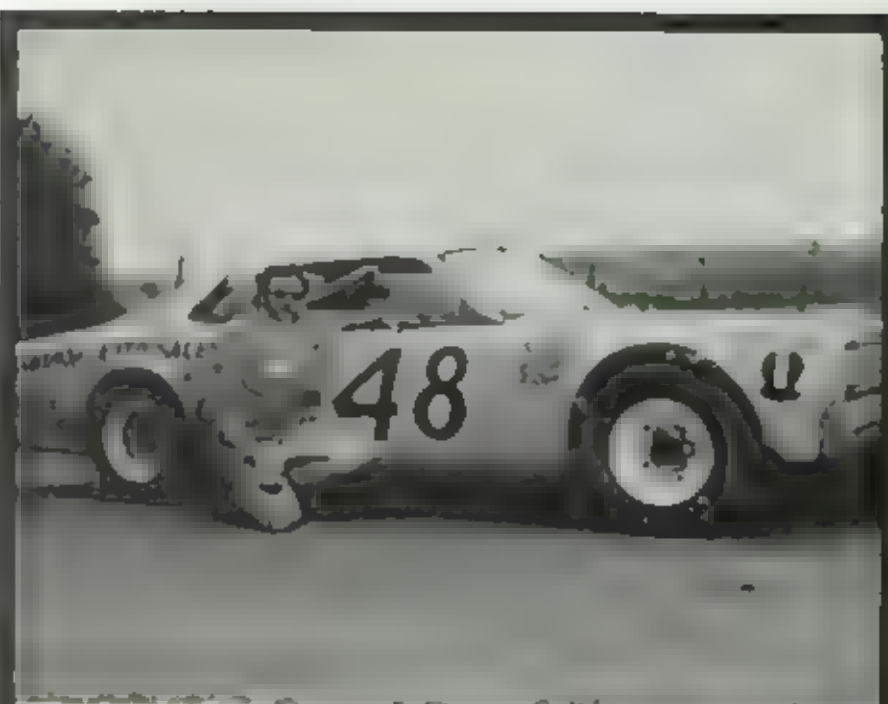

Her brothers, sisters and friends shared times to laugh, cry, the outdoors, sun and wind in open fields, country roads traveled on horseback, a faithful dog, a little kitten, mother's warm kitchen, father's strong arms.

Sharon was involved, active in sports, first to offer sympathy and love to a friend, aid to the handicapped and understanding to the special child with whom she worked. Sharon simply loved life completely.

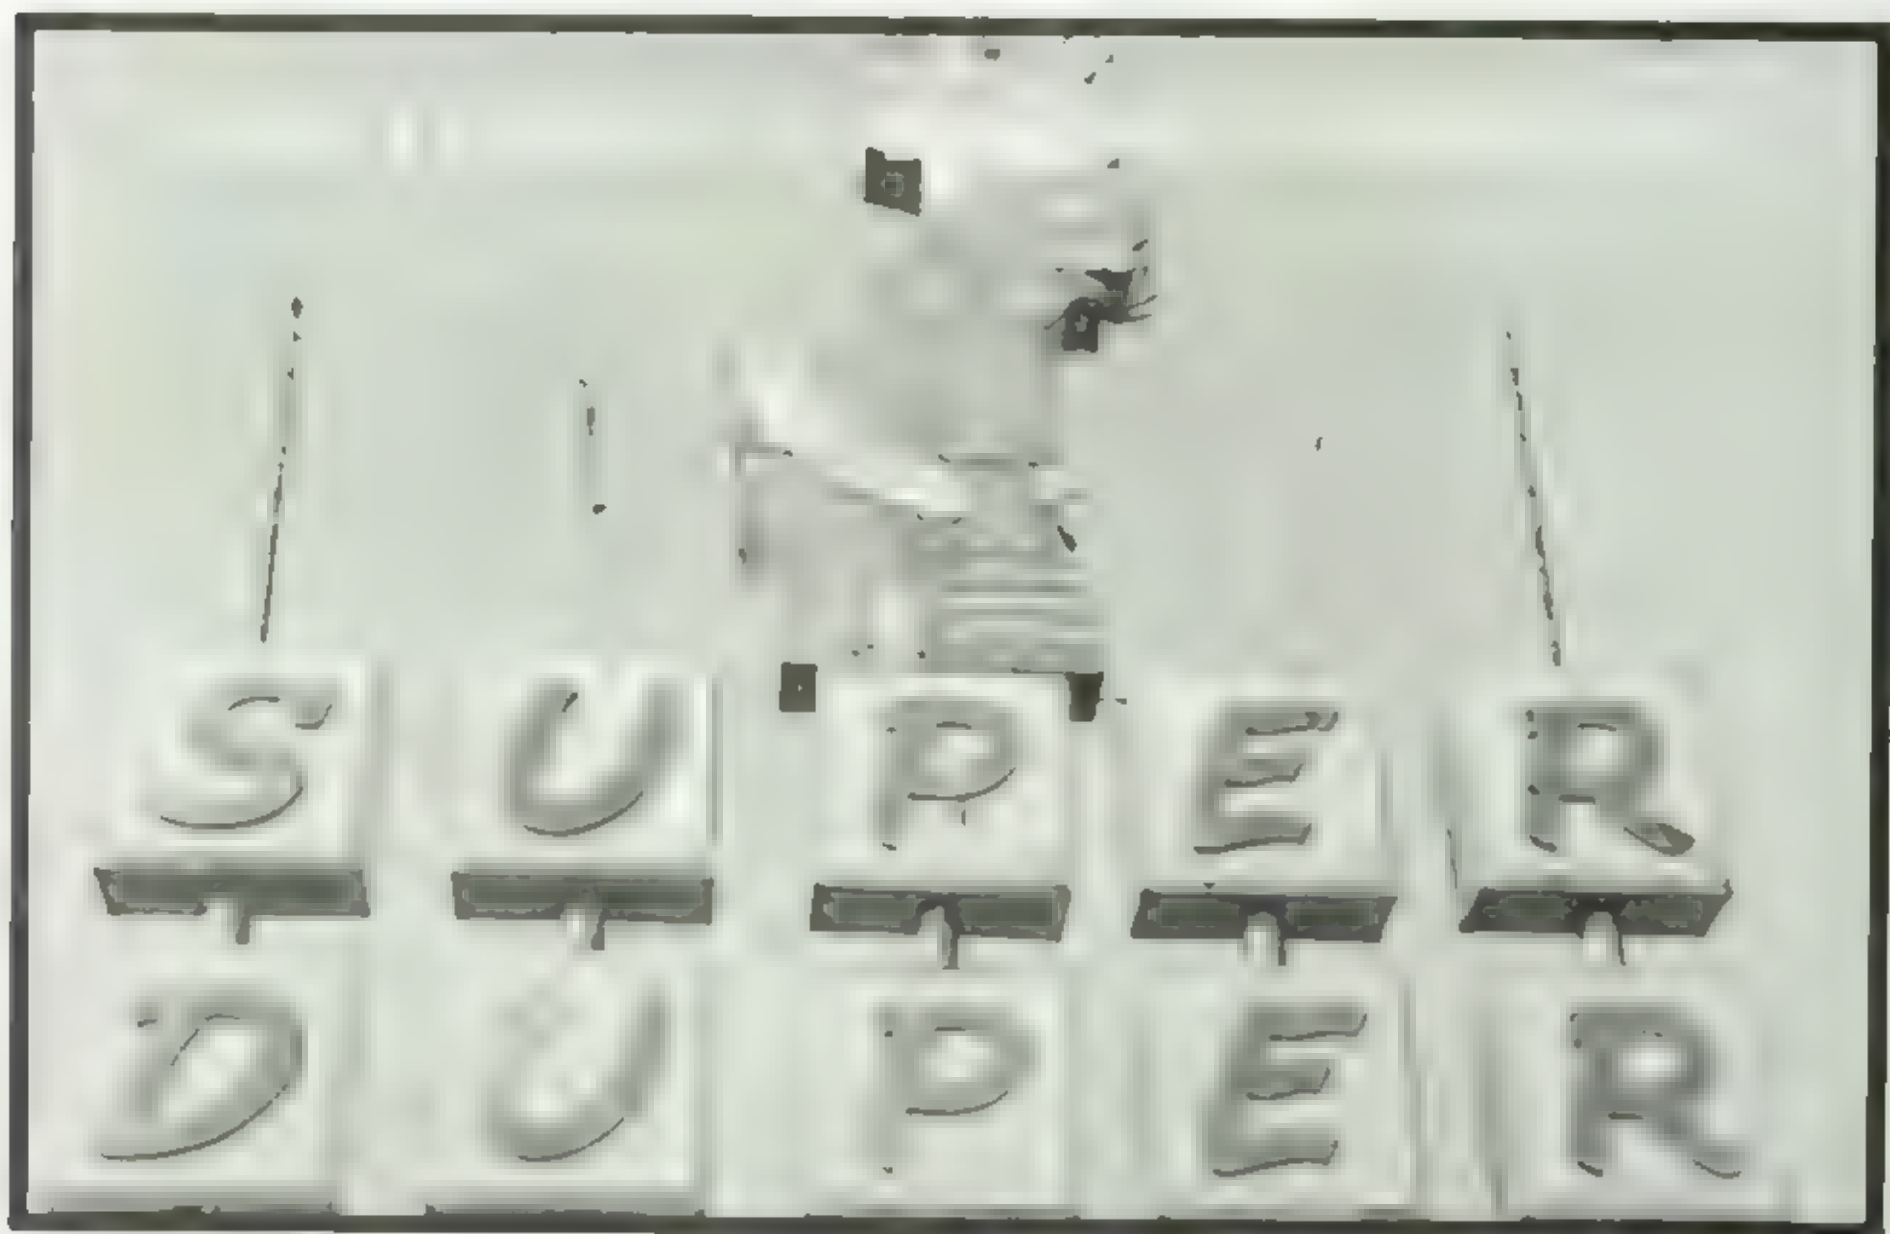

And it ended too soon.
